Dear Wilson residents,

As we near the end of another year perhaps it is pertinent to remark on some results of our continuing lobbying over the years. Lobbying can only be successful if we have the ear of the decision makers and **WRRRA** prides itself on having access to all levels of government whether Local, State or Federal. This access has been gained over 25 years of respectful and responsible consultation. We do not always get what we ask for but we are listened to.

Yes or No and at what cost.

WRRRA has had considerable input into the Kiosk and Jetty Park redesign, soon to be completed.

Fern Road traffic is one of our ongoing concerns, an intractable problem but we had input into the road redesign in recent years and are now lobbying for the bringing forward of the Shelley Bridge widening to ease Fern Road traffic.

The WRRRA Committee currently meets on the first Monday of every 2nd month at Wilson Community Hall @ 7.30pm.

New members are most welcome.

Next meeting: 7 FEB 2011

Now that Wilson West U/G power is well underway the streetscape is visibly improving and in time so will the reliability of supply. **WRRRA** has made every effort lobbying to gain U/G power in Wilson East and it only remains for the decision to be

The excellent bus service in Wilson serving both rail stations, the major shopping centres and University resulted from our input. Our only regret is that it is not better used, perhaps the love of our cars overrides common sense.

These are but a few examples of results of our lobbying; more can be found on our website and your input is always welcome.

NEW MEMBERS ARE MOST WELCOME !!!

Remember, the more members we have, the more power the Association has to lobby the City of Canning and State Government Departments to improve services within Wilson.
